### Subscription Terms

Your subscription begins as soon as your initial payment is processed. Your subscription will automatically renew each month without notice until you cancel. You authorise us to store your payment method(s) and to automatically charge your payment method(s) every month until you cancel. We will automatically charge you the then-current rate for your plan, plus applicable taxes (such as VAT or GST if the rate does not include it), every month upon renewal until you cancel.

We may change your plan's rate each monthly renewal term and we will notify you of any rate change with the option to cancel. If the applicable VAT or GST rate (or other included tax or duty) changes during your one-month term, we will accordingly adjust the tax-inclusive price for your plan on your next billing date.

If your primary payment method fails, you authorise us to charge any other payment method in your account. If you have not provided us a backup payment method(s) and you fail to provide payment or if all payment methods in your account fail, we may suspend your subscription. You can edit your payment information any time in your Typeset Account page.

For European Economic Area customers, your bank may require you to authenticate your initial purchase using a password, a one-time code sent to your mobile number or biometric recognition.
